Benefits

Art and craft classes can provide numerous benefits for children in their early age before they start taking drawing classes.

- 
- 
- **Enhances creativity:** Art and craft activities encourage children to think outside the box and use their imagination to create unique art works.
 - **Develops fine motor skills:** Art and craft activities such as drawing, painting, and cutting require children to use their hands and fingers in a precise way, which helps to develop their fine motor skills.
 - **Improves hand-eye coordination:** Art and craft activities involve a lot of hand-eye coordination, which helps develop this essential skill that is needed for many other activities.
